

Example input and output of Task C1

Input requirement: Select a date and some countries.

Output: A table including the data of selected countries at selected date.

Example:

Input:

Date: 2021/5/18

Countries: Albania, Algeria, Andorra, Angola

The screenshot shows a web application interface with a title bar containing tabs: Task Zero, Table A, Table B, Table C, Chart A, Chart B, Chart C, and Report C. The main content area is titled "Rate of Vaccination against COVID-19". It features a "Select Date:" label above a text input field containing "2021/5/18" and a calendar icon. Below the date field is a "Gerenate Table" button. To the right, under the heading "Select Countries:", is a list of countries with checkboxes. The selected countries are Albania, Algeria, Andorra, and Angola. The list includes: Afghanistan, Africa, Albania (checked), Algeria (checked), Andorra (checked), Angola (checked), Anguilla, Antigua and Barbuda, and Argentina. At the bottom of the interface is a "Console" section with the text "Display Vaccination Table. [17:46:02]".

Output:

[illegible]
